

# Environmental Policy Statement

Loughton Contracts PLC recognises the importance of environmental protection and is committed to operating its business responsibly and in compliance with all legal requirements relating to the supply and installation of floor finishes. It is the Organisation's declared policy to operate with and to maintain good relations with all regulatory bodies.

Loughton Contracts Plc will comply and commit with the chain of custody for FSC and PEFC in regards to the standards.

It is the Organisation's objective to carry out all measures reasonably practicable to meet, exceed, or develop all necessary or desirable requirements, and to continually improve environmental performance through the implementation of the following:

- a) Assess and regularly re-assess the environmental effects of the Organisation's activities
- b) Raising the awareness of our employees on all environmental issues
- c) Minimise the production of waste, material wastage & energy wastage
- d) Promote the use of recyclable and renewable materials
- e) Reduce and/or limit the production of pollutants to land and air
- f) Control noise emissions from operations
- g) Minimise the risk to the general public and employees from operations and activities undertaken by the Organisation
- h) FSC Accredited
- i) PEFC Accredited

This policy is communicated to all employees, suppliers and sub-contractors and is made available to the public.

The environmental policy is regularly reviewed in order to ensure its continuing suitability.
